RESOLUTION NO. 2014-

ADOPTED \_\_\_\_\_

A RESOLUTION: SUPPORT FOR THE METRO MOMENTUM PLAN

WHEREAS, the Washington region has experienced exponential growth since the inception of the Metro system, yet investments and upgrades to the system have not kept pace; and

WHEREAS, Metro's leadership has created *Momentum*, a strategic plan that will guide Metro's decisions over the next decade to ensure that the system continues to support the region's economic competitiveness; and

WHEREAS, safety, performance and financially measureable efficiencies are important to the future of the Metro system; and

WHEREAS, Metro system extension into Loudoun County via the "Silver Line" creates an important commuter link for Loudoun County and the Town of Leesburg.

THEREFORE, RESOLVED by the Council of the Town of Leesburg in Virginia that the Council supports the Metro Momentum Plan that will:

- Ensure that Metro will provide the transit system the Washington region needs to deliver hundreds of millions of trips to residents and visitors each year.
- Provide vision and guidance for decision-making to efficiently meet the needs of today while proactively preparing to support the future needs of a healthy, prosperous, and competitive region tomorrow.
- Establish priorities for near- and long-term action and establish a vision for a regional role that is consistent with language in the Metro Compact.
- Set the stage for addressing Metro's chronic funding challenges, and among other items specifically call for an aggressive effort to secure a reliable and sustainable source of funding for the system.
- Call on Metro to fill a critical role in regional transit leadership
